Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to refuse an Aquaculture licence for the cultivation Native and Pacific Oysters using Bags and trestles to Sliogeisc Siar Teoranta using bags and trestles, float and bag, moulded baskets and longlines on the inter-tidal and sub-tidal foreshore on site ref T08/115A in Aughinish Peninsula, Co. Clare.

Dear Ms. Buckley,

I refer to the above Appeal which was received on 27 November 2020.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal. The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 2 March 2021 and has formed the view it will not be in position to determine this Appeal by that date, due to the complexity of the matters which require to be determined as part of the Appeal, also due to the necessity of the Board to obtain technical advice.

Accordingly the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997, that these Appeals will not be determined by 26 March 2021 for the reason specified above. It is the intention of the Board that the Appeals will be determined by 30 September 2021.

Yours sincerely

Mary O'Hara
Secretary to the Board
