Re: Appeals against the decisions of the Minister for Agriculture, Food and the Marine to grant with variations an Aquaculture and Foreshore Licence to Crescent Seafoods Ltd for the bottom cultivation of mussels on Sites T03/055E on the foreshore at Wexford Harbour, Co Wexford.

Dear Sirs,

I refer to the above Appeals which were received in this office on 16th October 2019.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal.

The Aquaculture Licences Appeals Board reviewed this timescale for these Appeals at its meeting on 31st January 2020. Having done so it has formed the view it will not be in position to determine these Appeals within a period of four months of 16th October 2019 as a response is awaited to a Notice issued pursuant to Section 46(1)(a) of the Fisheries (Amendment) Act, 1997 (the Act) concerning these Appeals. Following receipt of the response to that Notice the Board will require to give further consideration to the Appeals.

On that basis, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to seek to determine the Appeals by 31st December 2020.

The Board has not yet determined whether to accede to the request for an oral hearing.

Yours sincerely

Mary O'Hara
Secretary to the Board
