Re: Appeal against the decision by the Minister for Agriculture, Food and the Marine to grant an Aquaculture and Foreshore Licence to Tullyshellfish Ltd. to cultivate Pacific Oysters using bags and trestles on the inter-tidal foreshore on site ref T12/510A in Ballyness Bay, Co. Donegal.

Dear Ms Uí Bhaoill,

I refer to the above Appeal which was received on 2 January 2020.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal. The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 19 March last and has formed the view it will not be in position to determine these Appeals by that date, due to the complexity of the matters which require to be determined as part of the Appeals.

Accordingly the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997, that these Appeals will not be determined by 1 May 2020 for the reason specified above. It is the intention of the Board that the Appeals will be determined by 31 December 2020.

Yours sincerely

Mary O'Hara
