Re: Appeals against the decisions of the Minister for Agriculture, Food and the Marine to grant with variations an Aquaculture Licence to Fjord Fresh Mussels Ltd for the bottom cultivation of mussels on Sites T03/046A, T03/046B and T03/046C on the foreshore at Wexford Harbour, Co Wexford.

Dear Sirs,

I refer to previous correspondence of 20 December 2022 in which the Board indicated that it anticipated this Appeal would be determined by 30 June 2023.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 23 June 2023 and has formed the view it will not be in a position to determine this Appeal within that timeframe.

Further correspondence is contained in the attached Section 46 letter which provides an update on issues impacting on the process of arriving at a Determination.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 30 March 2024.

Yours sincerely

Margaret Carton
Secretary to the Board
