Re: Appeal by Save Ballyness Bay S.A.C. Action Group against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Joseph Coll for authorisation to cultivate Pacific Oysters using bags and trestles at site T12/502A on the foreshore in Ballyness Bay, County Donegal

Dear Mr Coll,

I refer to my letter of 20 December 2022 in which the Board indicated it anticipated this Appeal would be determined by 30 September 2023.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 28 July 2023 and has formed the view it will not be in a position to determine this Appeal within that timeframe.

Further correspondence is contained in the attached "Notice that Further Information is Required Pursuant to Regulation 42(3) of the Habitats Regulations" of 04 August 2023 which provides an update on issues impacting on the process of arriving at a Determination.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 30 April 2024.

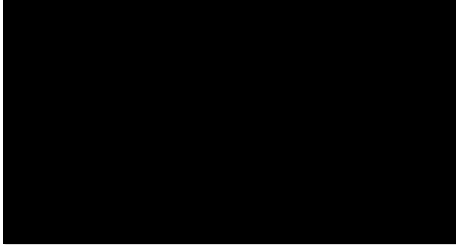

Yours sincerely

Margaret Carton
Secretary to the Board
