Re: Appeal by An Taisce against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Johnny Neville & Jeanette Brugman to cultivate pacific oysters using bags and trestles on the intertidal foreshore on site T03/095A at Ballyteigue Burrow in Ballyteigue Bay, Co Wexford.

Dear Minister,

I refer to the above Appeal which was received in this Office on 02 February 2023.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal.

The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 25 May 2023 and has formed the view that it will not be in position to determine this Appeal within that timeframe to allow time to assess the grounds of the Appeal and consider all additional observations received.

Having done so, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeal by 31 December 2023.

This notice is being copied to all parties to the Appeals.

Yours sincerely

Margaret Carton
Secretary to the Board

Re: Appeal by An Taisce against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Johnny Neville & Jeanette Brugman to cultivate pacific oysters using bags and trestles on the intertidal foreshore on site T03/095A at Ballyteigue Burrow in Ballyteigue Bay, Co Wexford.

Dear Ms McGoff

I refer to the above Appeal which was received in this Office on 02 February 2023.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 (as amended) requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal.

The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 25 May 2023 and has formed the view that it will not be in position to determine this Appeal within that timeframe. Due to the current workload of the Board's Technical Advisor, it has been decided by the Board that this appeal requires the input of an external consultant to undertake the environmental and ecological assessment needed for this appeal, as required under the Fisheries (Amendment) Act 1997. A tender process is currently in train to recruit such a consultant.

Given the reason outlined in the previous paragraph the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeal by 31 December 2023.

This notice is being copied to all parties to the Appeal.

Yours sincerely

Margaret Carton
Secretary to the Board

Re: Appeal by An Taisce against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Johnny Neville & Jeanette Brugman to cultivate pacific oysters using bags and trestles on the intertidal foreshore on site T03/095A at Ballyteigue Burrow in Ballyteigue Bay, Co Wexford.

Dear Mr J Neville & Ms J Brugman,

I refer to the above Appeal which was received in this Office on 02 February 2023.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal.

The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 25 May 2023 and has formed the view that it will not be in position to determine this Appeal within that timeframe to allow time to assess the grounds of the Appeal and consider all additional observations received.

Having done so, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeal by 31 December 2023.

This notice is being copied to all parties to the Appeals.

Yours sincerely
