**Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Bantry Marine Research Station Ltd to cultivate various aquatic plants using longlines on the sub-tidal foreshore on site ref T05/640A adjacent to Dooneen Pier, along the north shore of Dunmanus Bay, Co. Cork**

Dear Sirs,

I refer to my letter of 28 November 2023 in which the Aquaculture Licences Appeals Board indicated that it anticipated this Appeal would be determined by 30 June 2024.

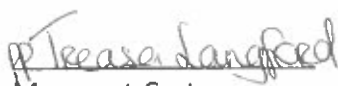

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 30 May 2024 and has formed the view it will not be in a position to determine these Appeals within that timeframe as further technical advice is required.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997 of its intention to determine the Appeal by 30 September 2024.

This notice is being copied to all parties to the Appeals and is available on the ALAB website:
