Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to the Marine Institute to cultivate various species of finfish, shellfish and seaweeds for research purposes on the foreshore on site T09/093 at Lehannah Pool, Bertraghboy Bay, Co. Galway

Dear Mr Ross

I refer to my letter of 24 April 2024 in which the Board indicated it anticipated this Appeal would be determined by 30 August 2024.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 01 July 2024 and has formed the view it will not be in a position to determine this Appeal within that timeframe, due to the necessity of the Board to obtain additional Technical Advice.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 29 November 2024.

This notice is being copied to all parties to the Appeals.

Yours sincerely
