Dear Mr Forde,

I refer to my letter of 05 September 2023 in which the Board indicated it anticipated this Appeal would be determined by 30 September 2024.

The Aquaculture Licences Appeals Board (ALAB) reviewed this timescale for the determination of this Appeal at its meeting on 25 July 2024 and has formed the view it will not be in a position to determine these Appeals within that timeframe due to the ongoing collation of technical advice and the vacant position of an internal ALAB Technical Advisor.

In light of this, as provided for in Section 56(3) of the Act, the Board hereby gives notice of its intention to determine this Appeal by 31 January 2025.

This notice is being copied to all parties to the Appeals and is available on the ALAB website:
