Re: Data request in relation to appeals against the decision of the Minister of Agriculture Food and the Marine to refuse to grant Aquaculture and Foreshore Licences for the cultivation of mussels using longlines on the foreshore on Site refs T9/508, T9/509, T9/510, T9/511, T9/477 Killary Harbour Co Galway

Dear Ms O Hara,

In response to your requests of the 10th Nov 2020, BIM has the following response.

- 1. Details of the overall production volumes of mussels from Killary Harbour for the past 20 years**
Page one of the attached document provides the annual tonnages for Killary Harbour collected by BIM as part of the annual Aquaculture Production and Employment Census.
- 2. Details of the tonnages of mussels harvested from individual sites (Not limited to sites under appeal) within Killary Harbour for the past 20 years.**
Pages 2-6 of the attached document provides a detailed report of annual returns for Killary Harbour collected by BIM as part of the annual Aquaculture Production and Employment Census.
- 3. Any additional information on the food resource, carrying capacity and any modelling carried out by or on behalf of, or available to, BIM subsequent to the Uisce Report for the Department of Agriculture, Fisheries and Food on Killary Harbour 2010.**
Following an examination of our records and internal consultation, BIM can locate no additional information on the food resource, carrying capacity and any modelling carried out by or on behalf of, or available to, BIM subsequent to the Uisce Report for the Department of Agriculture, Fisheries and Food on Killary Harbour 2010.

Yours sincerely

Jim O'Toole
Chief Executive
