Dear Ms Buckley

I refer to my letter of 26 August 2021 in which the Board indicated it anticipated this Appeal would be determined by 28 February 2022.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal. The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 10 February 2022 and has formed the view it will not be in position to determine this Appeal by 28 February 2022, due to the complexity of the matters which require to be determined as part of this appeal and the volume of appeals on hand.

Accordingly, the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997, that these Appeals will not be determined by 28 February 2022 for the reason specified above. It is the intention of the Board that the Appeals will be determined by 30 April 2022.

Yours sincerely
