Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to refuse to grant a Licence to Moyasta Oysters for authorisation to cultivate Pacific Oysters using bags and trestles/hanging baskets and trestles on sites T08/106 B, C&D at Querrin, Poulnisherry Bay and Cammoge South, Shannon Estuary, Co Clare

To whom it may concern,

I refer to your Appeal which was received in this office on 8 November 2019 .

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal.

The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 21 September 2021 and has formed the view it will not be in position to determine this Appeal by that date due to the complexity of the matters and the requirement to commission technical advice.

Having done so, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeal by 31 December 2021.

Yours sincerely

Mary O'Hara
Secretary to the Board
