RESPONSIBILITIES

The 1997 Act details the main responsibilities and powers of the Board, which are summarised as follows:

Under Section 40(4) of the 1997 Act, on receipt of an appeal by the Board and provided it is not withdrawn, the Board can determine the appeal by:

- (a) confirming the decision or action of the Minister;
- (b) determining the application for the licence as if the application had been made to the Board in the first instance; or
- (c) in relation to the revocation or amendment of a licence, substituting its decision on the matter for that of the Minister.

Under Sections 43 and 44 of the 1997 Act, the Board must send a copy of the notice of appeal to the Minister and to each other party to the appeal.

Under Section 46 of the 1997 Act, the Board can request submissions or observations from parties or other persons who have already made submissions or observations to the Board in relation to an appeal, if, in the opinion of the Board and in the circumstances, it is in the interests of justice to do so.

Under Section 47 of the 1997 Act, the Board can request documents, particulars or other information it considers necessary for the purpose of enabling it to determine an appeal.

Under Section 49 of the 1997 Act, the Board has the absolute discretion to hold an oral hearing of an appeal.

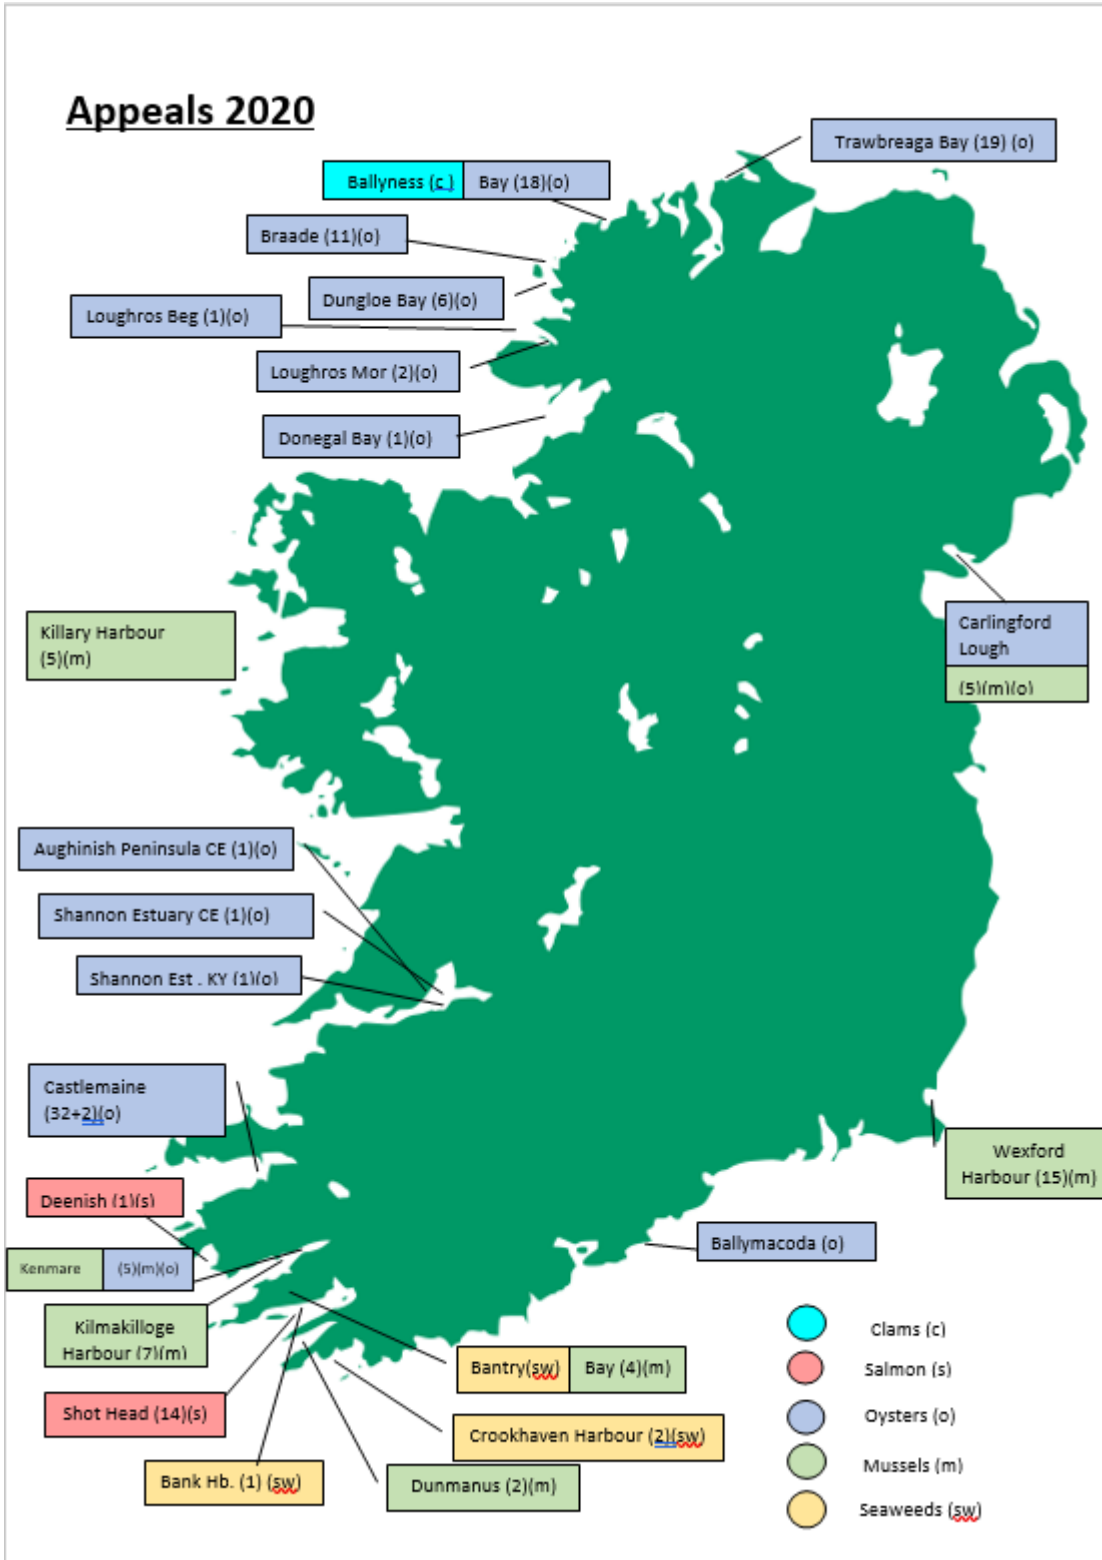

Under Section 56 of the 1997 Act, the Board is required to ensure that appeals are dealt with and determined expeditiously and that all steps are taken to avoid unnecessary delay.

In accordance with Section 73 of the 1997 Act, a person can apply for judicial review of a determination of the Board by way of an application for judicial review, provided it is made within the period of three months commencing on the date on which the determination was made.

During 2019, Lough Swilly Wild Oyster Society Limited issued proceedings against the Minister and against the Board under Record No: 277/2019JR, seeking certain reliefs and orders against both the Minister and the Board. The Board has filed as Statement of Opposition to the Application and a decision is awaited.

During 2019 Silver King Seafoods Limited made an application to the High Court seeking leave to apply for judicial review to challenge the determination of the Minister that it had breached a condition of Aquaculture Licence register reference T06/202 and discontinuing the company's statutory entitlement to continue aquaculture operations for the culture of salmon in cages at a site east of Deenish Island in a Ballinskelligs Bay, Co. Kerry, pursuant to Section 19 a (4) of the 1997 Act. The Court granted Silver King Seafoods the leave sought which included an Order granting a stay on ALAB considering and determining their appeal to ALAB pending the final determination of the proceedings. The stay was subsequently lifted and the matter is adjourned generally pending ALAB's determination of Appeal AP1/2019.

During 2020 TL Mussels issued proceedings against an Bord Pleanala under record 477/2020 where ALAB was named as a Notice Party. The case was transferred to the Commercial Court on the 15th December 2020. The case was settled and an Order striking out the proceedings issued on 6 July 2021.

PLANNING/ENVIRONMENTAL LAW DEVELOPMENTS

Increasingly complex environmental policy and legislation, as well as an evolving body of case law is having a significant influence on how the Board is dealing with appeals which come before it. The Board continues to review and update its procedures for the consideration and determination of appeals to take account of all relevant legislation and emerging case law.

RESOURCES

During 2020, the Board was provided with a Technical Advisor, seconded from the Department of Agriculture, Food and the Marine.

CONSULTATIONS WITH OTHER BODIES

The Board is obliged to and keeps itself informed of the policies of certain bodies whose functions have a bearing on its work. These include other Government departments and State Agencies.

CORPORATE GOVERNANCE

Corporate Governance in ALAB is designed to follow the requirements of the 2016 Code of Practice for the Governance of State Bodies, (the Code) to the extent appropriate, given the small size of the body. ALAB is committed to reviewing its governance policies and procedures on an on-going basis to ensure continued compliance with best practice in this area.

In this context, as required by the Code, the following are confirmed:

1. No commercially significant developments affected ALAB in the period 1 January 2020 to 31 December 2020, nor is the Board aware of any major issues likely to arise in the short to medium term;

IRISH LANGUAGE COMMITMENT

ALAB is committed to implementing the relevant parts of the Official Languages Act 2003. Signage and stationery are currently in both Irish and English.

CODE OF ETHICS AND BUSINESS CONDUCT

The Code of Practice for the Governance of State Bodies requires a written code of conduct for Board members and employees. A Code of Ethics and Business Conduct is in place for all the members of the Board and is posted on the website at www.alab.ie

In addition, members and certain staff are subject to the requirements of the Ethics in Public Office Acts, 1995 and 2001, and yearly statements of registrable interests are made under the Acts.

Board members and certain staff are also required to make declarations/disclosures of interests in accordance with Section 33 of the 1997 Act.

PUBLIC SECTOR EQUALITY AND HUMAN RIGHTS DUTY

Section 42 of the Irish Human Rights and Equality Commission Act 2014 imposes a statutory obligation on public bodies in performing their functions to have regard to the need to:

- Eliminate discrimination
- Promote equality of opportunity and treatment for staff and persons to whom it provides services and
- Protect the human rights of staff and service users.

The Board endeavours to facilitate access to our services for all members of the public in as far as it is reasonable and practicable.

GENDER BALANCE IN THE BOARD MEMBERSHIP

As at 31 December, the Board had 1 (14.29%) female and 6 (85.71%) male members, with 0 positions vacant.

The Board therefore does not meet the Government target of a minimum of 40% representation of each gender in the membership of State Boards. ALAB has no role in relation to the Board appointments other than indicating to the Minister that ALAB does not fulfil the gender balance target. Board members are appointed by the Minister in accordance with the Act, seeking nominations from the specified organisations.

BOARD PERFORMANCE REVIEW

Monitoring of effective corporate governance by the Board includes continuous review of the internal structure of the State body to ensure that there are clear lines of accountability for management throughout the organisation. In addition to requiring the monitoring and disclosure of corporate governance practices on a regular basis, the Board undertook an external assessment evaluation of its own performance and that of its committees in 2020, in compliance with the Code of Practice for the Governance of State Bodies.

DIVERSITY

The Board recognises the value of differences in its members (e.g., personality, learning styles, and life experiences) and group/social differences (e.g., ethnicity, social class, gender, sexual orientation, disability, membership of the Traveller community, family status, cultural, political, religious, or other affiliations) to improve the quality of work and decision making on the Board

DATA PROTECTION AND GDPR

Data Protection legislation is in place to protect the natural person with regard to the processing of personal data.

WEBSITE

ALAB maintains an active website at www.alab.ie. The existing website is currently being reviewed in order to simplify navigation and identify areas where more information could be made available to improve services to the public.

A more user-friendly website is under development and is expected to be up and running later in 2021, which will further help to improve our communications and interaction with everyone who engages with us.

PROMPT PAYMENTS

ALAB comes within the scope of the Prompt Payment of Accounts Act 1997, as amended by the European Communities (Late Payment in Commercial Transactions) Regulations 2002.

It is ALAB's policy to comply with the relevant provisions of the Act and, in particular, to ensure that all invoices are paid promptly. Prompt Payment Returns are posted on the website at www.alab.ie

GREEN GOVERNMENT INITIATIVE

Following the Government's introduction of the Green Government Initiative to facilitate Departments and public bodies to lead the way in reducing the use of single use plastics and to improve and increase recycling, ALAB produced 'Our Environmental Sustainability Policy'.

This policy aims to reduce the impact of ALAB's operations on the environment, through its 'Green Agenda' initiative. No single-use plastics are in use and glassware is in use throughout the office. The Board had previously adopted the use of a paperless data management system which effectively reduces costs by eliminating the use of large amounts of paper, ink and electricity.

FREEDOM OF INFORMATION (FOI) AND ACCESS to INFORMATION on the ENVIRONMENT (AIE)

The Freedom of Information Act and Access to Information on the Environment Regulations provide for access to certain information on ALAB's operations.

Two (2) FOI requests were received in 2020. There were no AIE requests received in 2020.

OIREACTHAS MEMBERS LIAISON

In accordance with DPER Circular 25/2016 ALAB has arrangements in place to provide information to members of the Oireachtas on request. In 2020 eight (8) queries were received from members of the Oireachtas. A substantive reply to each query issued within the 10 working days response time.

PLAIN ENGLISH PROJECT

As an organisation who engages regularly with the public, ALAB recognises the importance of presenting information clearly and concisely.

The Secretary and ALAB staff continue to build their knowledge and experience in Plain English. ALAB continues to revise general information and guidance to comply with Plain English standards, where possible.

EVENTS AFTER THE REPORTING DATE

Since compilation of the 2020 financial statements the global COVID-19 pandemic continues to disrupt many normal business operations. The office of ALAB is closed to the public with staff working from home. However, the office can continue to be contacted by email or phone during normal hours of business. The Board continue to hold their meetings virtually since the commencement of the pandemic.

The Board has factored the Covid-19 pandemic into its overall risk management processes. ALAB is satisfied that it can continue to discharge its statutory functions.

CONCLUDING REMARKS

ALAB implements its powers as prescribed by the 1997 Act when determining appeals. However, there are also other legislative requirements which add to the complexity of the appeal process. In particular, ALAB has to have regard to obligations of a number of EU Directives including those relating to Environmental Impact Assessment, Habitats, Birds, Public Access to Environmental Information and others. Ensuring adherence to these legislative obligations, and the national and European case law that guides their implementation, has increased the complexity of the determination process. It has also extended the average time required by ALAB to determine appeals. Section 56(2)(a) of the 1997 Act states that the Board should endeavour to ensure that every appeal is determined within a period of four (4) months of receipt (approximately 122 days). Section 56(3) of the 1997 Act entitles the Board to extend the time for determination because of the particular circumstances of an appeal.

The significant increase in the number of appeals received by ALAB during 2018, 2019 and 2020 arose as a result of the Minister's commitment to clear the backlog in relation to aquaculture licence applications by the end of 2019. This resulted in fifty (50) appeals being received by the Board in 2018, thirty-four (34) of which were received from October 2018. Sixty-nine (69) appeals were received in

2019, with sixty-five (65) of these received from late October 2019. There were twenty-seven (27) appeals received in 2020.

The Board acknowledges the increase in time for determination of appeals on hand, which has occurred despite their best efforts. At this time, there are currently seventy-nine (79) on hand. However, the Board has a newly appointed dedicated technical advisor since October 2020 and this appointment has significantly improved the efficiency of the Board's determinations.

Ultimately, ALAB is a component in the wider aquaculture licencing process. The Board notes that the Report of the Independent Aquaculture Licencing Review Group, May 2017, made a number of recommendations which were designed to both improve the quality and clarity of applications and to facilitate a timely decision-making process. The Board endorses further progress in the implementation of the Review, on the basis that the sign of a healthy licencing system is one that generates fewer appeals.

I would like to take this opportunity to acknowledge the contributions of the ALAB Board members, ALAB staff and all external service providers to ALAB, who were instrumental in assisting and supporting ALAB in delivering its statutory responsibilities during 2020. As an organisation ALAB is managing a great deal of change while also striving to maintain and uphold its good performance. There has been a significant contribution in particular by the ALAB Secretary and her staff, and I thank them all for their hard work, continued support and professionalism during 2020.

I would particularly like to acknowledge the real commitment of the ALAB Board members to the values of independence, integrity, professionalism and fairness. It has been a great pleasure to work with you during 2020.

I would also like to express appreciation to the officials from the Department of the Agriculture Food and the Marine for their support and assistance to ALAB during the year and look forward to continuing to work with the ALAB staff and Board Members as we continue the important work of ALAB in the coming years.

SUÍOMH GRÉASÁIN

Coinníonn ALAB láithreán gréasáin gníomhach ag www.alab.ie Tá athbhreithniú á dhéanamh ar an láithreán gréasáin atá ann faoi láthair chun loingseoireacht a shimpliú agus chun réimsí a aithint ina bhféadfaí tuilleadh eolais a chur ar fáil chun seirbhísí a fheabhsú don phobal.

Tá suíomh gréasáin níos éasca le húsáid á fhorbairt agus táthar ag súil go mbeidh sé ar bun níos déanaí in 2021, rud a chabhróidh tuilleadh lenár gcumarsáid agus lenár n-idirghníomhú le gach duine a bhíonn ag plé linn a fheabhsú.

ÍOCAÍOCHTAÍ PRASA

Tagann ALAB faoi raon feidhme an Achta um Íoc Pras Cuntas 1997, arna leasú ag Rialacháin na gComhphobal Eorpach (Íocaíocht Dhéanach in Idirbhearta Tráchtála) 2002.

Tá sé mar pholasaí ag ALABcloí le forálacha ábhartha an Achta agus, go háirithe, a chinntiú go n-íoctar gach sonrasc go pras. Seoltar Tuairisceáin Íocaíochta Pras ar an láithreán gréasáin ag www.alab.ie

TIONSCNAMH AN RIALTAIS GHLAIS

Tar éis don Rialtas tionscnamh an Rialtais Ghlais a chur i bhfeidhm chun cabhrú le Ranna agus le comhlachtaí poiblí a bheith ar thús cadhnaíochta maidir le húsáid plaisteach aon úsáide a laghdú agus chun athchúrsáil a fheabhsú agus amhéadú, tháirg ALAB 'ÁrmBeartas Inbhuanaitheachta Comhshaoil'. Tá sé mar aidhm ag an mbeartas seo tionchar oibríochtaí ALAB ar an gcomhshaoil a laghdú, trína thionscnamh 'Clár Oibre Glas'. Níl aon phlaistigh aonúsáide in úsáid agus tá earraí gloine in úsáid ar fud na hoifige. Ghlac an Bord roimhe seo le córas bainistíochta sonraí gan pháipéar a úsáid a laghdaíonn costais go héifeachtach trí dheireadh a chur le húsáid méideanna móra páipéir, dúigh agus leictreachais.

SAORÁIL FAISNÉISE (SF) AGUS ROCHTAIN AR FHAISNÉIS FAOIN gCOMHSHAOL (AIE)

Forálann an tAcht um Shaoráil Faisnéise agus na Rialacháin um Rochtain ar Fhaisnéis faoin gComhshaoil do rochtain ar fhaisnéis áirithe faoi oibríochtaí ALAB.

Fuarthas dhá iarratas sf sa bhliain 2020. Ní bhfuarthas aon iarratas AIE in 2020.

IDIRCHADREAMH LE BAILL AN OIREACHTAIS

De réir Chiorclán DPER 25/2016 tá socruithe i bhfeidhm ag ALAB chun eolas a sholáthar do bhaill an Oireachtais ar éileamh. I 2020 fuarthas ocht (8) gceist ó bhaill an Oireachtais. Eisíodh freagra substainteach ar gach ceist laistigh den am freagartha 10 lá oibre.

TIONSCADAL BÉARLA PLAIN

Mar eagraíocht a bhíonn ag plé go rialta leis an bpobal, aithníonn ALAB an tábhacht a bhaineann le faisnéis a chur i láthair go soiléir agus go gonta.

Tsé Rúnaí agus foireann ALAB leanúint ar aghaidh ag tógáil a gcuid eolais agus taithí i mBéarla Plain. Leanann ALAB le hathbhreithniú a dhéanamh ar fhaisnéis agus treoir ghinearálta chun cloí le caighdeáin Shimplí Bhéarla, nuair is féidir.

IMEACHTAÍ TAR ÉIS AN DÁTA TUAIRISCITHE

Ó tiomsaíodh na ráitis airgeadais 2020, tá paindéim dhomhanda COVID-19 fós ag cur isteach ar go leor gnáthoibríochtaí gnó. Tá oifig ALAB dúnta don phobal agus baill foirne ag obair ón mbaile. Mar sin féin, is féidir teagmháil a dhéanamh leis an oifig trí ríomhphost nó ar an bhfón le linn gnáthuaireanta gnó. Leanann an Bord ar aghaidh ag reáchtáil a gcruinnithe beagnach ó thús na paindéime.

Chuir an Bord paindéim Covid-19 san áireamh ina phróisis fhoriomlána bainistíochta riosca. Tá ALAB sásta gur féidir leis leanúint ar aghaidh ag comhlíonadh a fheidhmeanna reachtúla.

BARÚLACHA DEIRIDH

Cuireann ALAB a chumhachtaí i bhfeidhm mar a fhorordaítear le hAcht 1997 nuair a bhíonn achomhairc á gcinneadh. Mar sin féin, tá ceanglais reachtacha eile ann freisin a chuireann le castacht an phróisis achomhairc. Go háirithe, ní mór do ALAB aird a thabhairt ar oibleagáidí roinnt Treoracha AE lena n-áirítear iad siúd a bhaineann le Measúnacht Tionchair Timpeallachta, Gnáthóga, Éin, Rochtain Phoiblí ar Fhaisnéis Chomhshaoil agus eile. Tá castacht an phróisis chinntithe méadaithe ag baint lena áirithiú go gcloítear leis na hoibleagáidí reachtacha sin, agus leis an gcásdlí náisiúnta agus Eorpach a threoraíonn a gcur chun feidhme. Chuir sé síneadh freisin leis an meán-am a theastaíonn ó ALAB chun achomhairc a chinneadh. Luaitear in Alt 56(2)(a) d'Acht 1997 gur chóir don Bhord iarracht a dhéanamh a chinntiú go gcinneadh gach achomharc laistigh de thréimhse ceithre (4) mhí tar éis é a fháil (thart ar 122 lá). Tugann Alt 56(3) d'Acht 1997 teideal don Bhord an t-am le cinneadh a fhadú mar gheall ar imthosca áirithe achomhairc.

Tháinig an méadú suntasach ar líon na n-achomharc a fuair ALAB le linn 2018, 2019 agus 2020 chun cinn mar thoradh ar thiomantas an Aire an riaráiste maidir le hiarratais ar cheadúnais do bharshaothraithe a ghlanadh faoi dheireadh 2019. Mar thoradh air sin, fuair an Bord caoga (50) achomharc in 2018, agus fuarthas ceithre cinn is tríocha (34) díobh ó Dheireadh Fómhair 2018. Fuarthas naoi n-achomharc is seasca (69) in 2019, agus fuarthas seasca a cúig (65) díobh sin ó dheireadh mhí Dheireadh Fómhair 2019. Fuarthas seacht n-achomharc is fiche (27) in 2020.

Aithníonn an Bord an méadú ama chun achomhairc idir lámha a chinneadh, rud a tharla in ainneoin a n-iarrachtaí is fearr. Ag an am seo, tá seachtó a naoi (79) idir lámha faoi láthair. Mar sin féin, tá comhairleoir teicniúil tiomnaithe nuacheaptha ag an mBord ó mhí Dheireadh Fómhair 2020 agus tá feabhas suntasach tagtha ar éifeachtúlacht chinntí an Bhoird mar gheall ar an gceapachán seo.

I ndeireadh na dála, tá ALAB ina chuid den phróiseas ceadúnaithe do bharshaothraithe níos leithne. Tugann an Bord dá aire go ndearna Tuarascáil an Ghrúpa Athbhreithnithe neamhspleách um Ghealladh Dobharshaothraithe, Bealtaine 2017, roinnt moltaí a ceapadh chun cáilíocht agus soiléireacht na n-iarratas a fheabhsú agus chun próiseas tráthúil cinnteoireachta a éascú. Tacaíonn an Bord le tuilleadh dul chun cinn i gcur i bhfeidhm an Athbhreithnithe, ar an mbonn gur comhartha é córas sláintiúil míoltagh a ghineann níos lú achomharc.

Ba mhaith liom an deis seo a thapú chun aitheantas a thabhairt don mhéid a rinne comhaltaí Boird ALAB, foireann ALAB agus gach soláthraí seirbhíse seachtraí le ALAB, a bhí lánach i gcacúnach agus i dtacú le ALAB chun a fhreagrachtaí reachtúla a chomhlíonadh le linn 2020. Mar eagraíocht, tá ALAB ag bainistiú go leor athruithe agus ag an am céanna ag iarraidh a fheidhmíocht mhaith a choinneáil agus a chaomhnú. Chuir Rúnaí ALAB agus a foireann go mór go mór leis, agus gabhaim buíochas leo go léir as a n-obair chrua, a dtacaíocht leanúnach agus a ngairmiúlacht le linn 2020.

Ba mhaith liom aitheantas ar leith a thabhairt do fhíorthiomantas chomhaltaí Bhord ALAB do luachanna an neamhspleáchais, na sláine, na gairmiúlachta agus na cothroime. Ba mhór an pléisiúr dom a bheith ag obair leat le linn 2020.

Ba mhaith liom buíochas a ghabháil freisin leis na hoifigigh ón Roinn Talmhaíochta, Bia agus Mara as a dtacaíocht agus a gcacúnach do ALAB i rith na bliana agus táim ag tnúth le leanúint ar aghaidh ag obair le foireann ALAB agus le Comhaltaí Boird agus muid ag leanúint ar aghaidh le hobair thábhachtach ALAB sna blianta amach romhainn.
