**Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Woodstown Bay Shellfish Limited for bottom-culture mussel farming on site T05/472A at Kinsale Harbour, Kinsale County Cork.**

Dear Appellant(s),

I refer to the above Appeal which was received in this office on 11 June 2025.

A total of one hundred and forty-seven appeals (147) have been received in relation to the licence application in Kinsale Harbour Co. Cork. Pursuant to Section 42 (1) of the Fisheries (Amendment) Act, 1997, (“the Act”), the Board may, in its discretion, treat two or more appeals, and the appellants, as parties to a single appeal. The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

This notice is being copied to all parties to the Appeals.

Yours sincerely

**Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Woodstown Bay Shellfish Limited for bottom-culture mussel farming on site T05/472A at Kinsale Harbour, Kinsale County Cork.**

Dear Appellant(s),

I refer to the above Appeal which was received in this office on 20 June 2025.

A total of one hundred and forty-seven appeals (147) have been received in relation to the licence application in Kinsale Harbour Co. Cork. Pursuant to Section 42 (1) of the Fisheries (Amendment) Act, 1997, (“the Act”), the Board may, in its discretion, treat two or more appeals, and the appellants, as parties to a single appeal. The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

This notice is being copied to all parties to the Appeals.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

Dear Appellant(s),

I refer to the above Appeal which was received in this office on 24 June 2025.

A total of one hundred and forty-seven appeals (147) have been received in relation to the licence application in Kinsale Harbour Co. Cork. Pursuant to Section 42 (1) of the Fisheries (Amendment) Act, 1997, (“the Act”), the Board may, in its discretion, treat two or more appeals, and the appellants, as parties to a single appeal. The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

This notice is being copied to all parties to the Appeals.

Yours sincerely

**Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Woodstown Bay Shellfish Limited for bottom-culture mussel farming on site T05/472A at Kinsale Harbour, Kinsale County Cork.**

Dear Appellant(s),

I refer to the above Appeal which was received in this office on 24 June 2025.

A total of one hundred and forty-seven appeals (147) have been received in relation to the licence application in Kinsale Harbour Co. Cork. Pursuant to Section 42 (1) of the Fisheries (Amendment) Act, 1997, (“the Act”), the Board may, in its discretion, treat two or more appeals, and the appellants, as parties to a single appeal. The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

This notice is being copied to all parties to the Appeals.

Yours sincerely

Karl Brogan  
Secretary to the Board

**Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Woodstown Bay Shellfish Limited for bottom-culture mussel farming on site T05/472A at Kinsale Harbour, Kinsale County Cork.**

Dear Appellant(s),

I refer to the above Appeal which was received in this office on 25 June 2025.

A total of one hundred and forty-seven appeals (147) have been received in relation to the licence application in Kinsale Harbour Co. Cork. Pursuant to Section 42 (1) of the Fisheries (Amendment) Act, 1997, (“the Act”), the Board may, in its discretion, treat two or more appeals, and the appellants, as parties to a single appeal. The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

This notice is being copied to all parties to the Appeals.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

Dear Appellant(s),

I refer to the above Appeal which was received in this office on 26 June 2025.

A total of one hundred and forty-seven appeals (147) have been received in relation to the licence application in Kinsale Harbour Co. Cork. Pursuant to Section 42 (1) of the Fisheries (Amendment) Act, 1997, ("the Act"), the Board may, in its discretion, treat two or more appeals, and the appellants, as parties to a single appeal. The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

This notice is being copied to all parties to the Appeals.

Yours sincerely

**Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Woodstown Bay Shellfish Limited for bottom-culture mussel farming on site T05/472A at Kinsale Harbour, Kinsale County Cork.**

Dear Appellant(s),

I refer to the above Appeal which was received in this office on 26 June 2025.

A total of one hundred and forty-seven appeals (147) have been received in relation to the licence application in Kinsale Harbour Co. Cork. Pursuant to Section 42 (1) of the Fisheries (Amendment) Act, 1997, (“the Act”), the Board may, in its discretion, treat two or more appeals, and the appellants, as parties to a single appeal. The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

This notice is being copied to all parties to the Appeals.

Yours sincerely

**Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Woodstown Bay Shellfish Limited for bottom-culture mussel farming on site T05/472A at Kinsale Harbour, Kinsale County Cork.**

Dear Appellant(s),

I refer to the above Appeal which was received in this office on 25 June 2025.

A total of one hundred and forty-seven appeals (147) have been received in relation to the licence application in Kinsale Harbour Co. Cork. Pursuant to Section 42 (1) of the Fisheries (Amendment) Act, 1997, (“the Act”), the Board may, in its discretion, treat two or more appeals, and the appellants, as parties to a single appeal. The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

The Board has decided at this time, to exercise that discretion and to consider all 147 appeals as a single appeal, as they relate to the same site. Please note that the Board, in its discretion, may at any time separate such appeals. In that event you will be notified accordingly.

In accordance with the requirements of Section 44(1) of the Act, copies of each of the other appeals received by the Board are available to you at <https://www.alab.ie/activeappeals/>. Section 44(2) of the Act entitles the Minister and each other party, except the Appellant, to make submissions or observations in writing to the Board in relation to an appeal within a period of 30 days beginning on the day on which a copy of the Notice of Appeal is sent to that party by the Board. If you wish to make any submissions or observations in relation to any other appeal, these must be made in writing and received by the Board on or before 21 August

2025 being the period of 30 days from the date of this letter. Submissions or observations received by the Board after that date shall not be considered by it.

Please note particularly that you are not entitled to elaborate in writing or make further submissions in writing in relation to the grounds of appeal stated in your notice of appeal or to submit further grounds of appeal, and any such elaboration, submissions or further grounds of appeal received by the Board shall not be considered by it. This is provided for in Section 41(3) of the Act.

This notice is being copied to all parties to the Appeals.
