Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to refuse to grant a Licence to Kieran Lyons to cultivate mussels using longlines on the non-intertidal foreshore on site ref: T06/364A at Kilmakilloge Harbour, Co. Kerry

Dear Mr Lyons

I refer to my letter of 16 May 2022 in which the Board indicated it anticipated this Appeal would be determined by 31 August 2022.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 25 August 2022 and has formed the view it will not be in position to determine this Appeal by 31 August 2022, due to the complexity of the matters which require to be determined as part of this appeal, also due to the necessity of the Board to obtain Technical Advice and the volume of appeals on hand.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 31 October 2022.

Yours sincerely
