Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal.

The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 31st January 2020 and has formed the view it will not be in position to determine this Appeal by that date due to the complexity of the matters and the requirement to commission technical advice.

Having done so, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeal by 31st December 2020.

The Board has not yet determined whether to accede to the request for an oral hearing. I shall be in touch with you further once the Board has determined whether or not an oral hearing is required.

This notice is being copied to all parties to the Appeals.
