Donegal on site Ref: T05/555 for the cultivation of Atlantic Salmon; Salmo Salar on a site on the foreshore at Shot Head, Bantry Bay, Co Cork (the "Appeals")

Dear Minister

I refer to my previous correspondence of 10 October 2025 in which the Aquaculture Licences Appeals Board indicated that it anticipated this Appeal would be determined by 11 September 2026.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 22 September 2026 and formed the view that it will not be in a position to determine this Appeal within the timeframe due to the need to allow sufficient time to consider the documentation received.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 11 June 2027.

Yours sincerely

Karl Brogan
Secretary to the Board
