**RE: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture and Foreshore Licence to Ballyteigue Oysters Ltd to cultivate pacific oysters using bags and trestles on the intertidal foreshore on site T03/038A a 1.698 hectare site in the coastal lagoon of Ballyteigue Burrow in Ballyteigue Bay, Co Wexford.**

Dear Dr McGoff,

I refer to my previous correspondence of 04 November 2025 in which the Aquaculture Licences Appeals Board indicated that it anticipated this Appeal would be determined by 05 October 2026.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 25 May 2026 and has formed the view that it will not be in a position to determine this Appeal within that timeframe due to having to consider environmental documentation that has been requested.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 13 May 2027.

Yours sincerely

Karl Brogan  
Secretary to the Board
