Dear Sir/Madame,

I am writing to you today to object to the proposed oyster farm at Ballyness Bay.

I am part of a group of local equestrians who use this beach for horse riding on the regular, which is vital for physical well being and mental health. We also host an annual beach show here in memoriam of our late equestrian stalwarts which is well supported by equestrians all over the country.

I hope you will not jeopardise our beloved sport for an oyster farm on our beach.

Regards
Amy McGarvey
