Re: Appeal against the decision by the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Joseph Coll to cultivate Pacific Oysters using bags and trestles on the inter-tidal foreshore on site ref T12/500A in Ballyness Bay, Co. Donegal.

Dear Mr Coll

I refer to my letter of 29 November 2021 in which the Board indicated it anticipated this Appeal would be determined by 30 June 2022.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 12 May 2022 and has formed the view it will not be in position to determine this Appeal by 30 June 2022, due to the complexity of the matters which require to be determined as part of this appeal, also due to the necessity of the Board to obtain Technical Advice and the volume of appeals on hand.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 31 December 2022.

Yours sincerely

Antoinette Conroy
Secretary to the Board
