Re: Appeal against the decision by the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Tullyshellfish Ltd. to cultivate Pacific Oysters using bags and trestles on the inter-tidal foreshore on site ref T12/510A in Ballyness Bay, Co. Donegal.

Dear Sirs

I refer to my letter of 16 May 2022 in which the Board indicated it anticipated this Appeal would be determined by 31 December 2022.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 15 December 2022 and has formed the view it will not be in position to determine this Appeal by 31 December 2022, due to the complexity of the matters which require to be determined as part of this appeal and due to the necessity of the Board to obtain Technical Advice.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeal by 30 September 2023.

Yours sincerely

Margaret Carton
Secretary to the Board
