Dear Mr. O'Donovan,

As you are aware, notice was given to the Applicant, in accordance with Regulation 42(8) of the European Communities (Birds and Natural Habitats) Regulations 2011 as amended ("2011 Regulations"), that the Aquaculture Licences Appeals Board ("ALAB") has determined that an Appropriate Assessment, as referred to in Article 6(3) of the Habitats Directive (*i.e.* Council Directive 92/43/EEC of 21 May 1992 as amended), is required for the project the subject of the above appeal.

The Applicant provided a Natura Impact Statement (NIS) to ALAB in July 2020.

Pursuant to section 35 of the Fisheries (Amendment) Act 1997 as amended, MERC Environmental Consultants were commissioned by ALAB to complete a report for purposes of ALAB's Appropriate Assessment (AA). That report is dated 11 September 2020

The NIS and the Appropriate Assessment report will be taken into account by ALAB in carrying out its Appropriate Assessment.

Section 46(1)(a) of the Act provides that ALAB may, if it is of the opinion that in the particular circumstances of an appeal, it is appropriate in the interests of justice to request a party who has made submissions or observations to ALAB in relation to the appeal to make submissions or observations in relation to any matter which has arisen in relation to the appeal, it may serve on the party a Notice requesting the party to submit submissions or observations in relation to the matter to the Board.

In accordance with the provisions of section 46(1)(a) of the Act, ALAB **HEREBY REQUESTS** you to make any submissions or observations you have in relation to matters referred to in the attached Reports.

Such submissions or observations should be provided to ALAB **by Monday 16 November 2020**.

Please note that if the submissions or observations are not received before the expiration of the period specified above ALAB will, without further reference to you, determine the appeal.

This notice is being copied to all parties to the Appeal.

Dear Ms McManus,

As you are aware, notice was given to the Applicant, in accordance with Regulation 42(8) of the European Communities (Birds and Natural Habitats) Regulations 2011 as amended ("2011 Regulations"), that the Aquaculture Licences Appeals Board ("ALAB") has determined that an Appropriate Assessment, as referred to in Article 6(3) of the Habitats Directive (*i.e.* Council Directive 92/43/EEC of 21 May 1992 as amended), is required for the project the subject of the above appeal.

The Applicant provided a Natura Impact Statement (NIS) to ALAB in July 2020.

Pursuant to section 35 of the Fisheries (Amendment) Act 1997 as amended, MERC Environmental Consultants were commissioned by ALAB to complete a report for purposes of ALAB's Appropriate Assessment (AA). That report is dated 11 September 2020

The NIS and the Appropriate Assessment report will be taken into account by ALAB in carrying out its Appropriate Assessment.

The following documents are available on the ALAB website, www.alab.ie at the following link:

Section 46(1)(a) of the Act provides that ALAB may, if it is of the opinion that in the particular circumstances of an appeal, it is appropriate in the interests of justice to request a party who has made submissions or observations to ALAB in relation to the appeal to make submissions or observations in relation to any matter which has arisen in relation to the appeal, it may serve on the party a Notice requesting the party to submit submissions or observations in relation to the matter to the Board.

In accordance with the provisions of section 46(1)(a) of the Act, ALAB **HEREBY REQUESTS** you to make any submissions or observations you have in relation to matters referred to in the attached Reports.

Such submissions or observations should be provided to ALAB by **Monday 16 November 2020**.

Please note that if the submissions or observations are not received before the expiration of the period specified above ALAB will, without further reference to you, determine the appeal.

This notice is being copied to all parties to the Appeal.
