APPEALS BOARD

We are seeking an extension for the above appeals of another 4 weeks, as we are waiting on consultant's report, which has been delayed, but was contracted out to 13th April. We are still awaiting some data and information and should be completed by then.

Yours Sincerely,

Micheal and Eunan Mc Laughlin

Subject: RE: Update on Trawbreaga Appeal

Just want to update you on the report on the visual impact of the additional licences up in Trawbreaga Bay. Although it is in fairly advanced stage, we will need about 2 more weeks to finalise it. You will need to request an extension from ALAB.

Best regards,

Brendan
