Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture and Foreshore Licence to Dunmanus Bay Mussels Ltd., for the cultivation of Mussels using longlines and ropes at outer Dunmanus Bay, Co. Cork on Site T05/590A

Dear Appellants,

I refer to my letter 26 June 2019 in which the Board indicated it anticipated this Appeal would be determined by 31 December 2019.

Since then, the Applicant sought an extension to the 16 December 2019 in order to furnish information relating to a hydrographic modelling survey being undertaken. Following receipt of the report, the Board will consider its findings.

In that context, the Board further reviewed the timescale for determination of this Appeal at its meeting of 9 October 2019. The Board has concluded that due to the requirement for the aforementioned Survey, the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997, of its intention to seek to determine this Appeal by 31 March 2020.

This notice is being copied to all parties to the Appeal.

Yours sincerely

Mary O'Hara
