Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture and Foreshore Licence to Dunmanus Bay Mussels Ltd., for the cultivation of Mussels using longlines and ropes at outer Dunmanus Bay, Co. Cork on Site T05/590A

Dear Mr and Mrs Morgan,

I refer to your appeal which was received in this office on 18 May 2018.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal. The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 28 August 2018 and has formed the view it will not be in position to determine this Appeal by that date, due to the complexity of the matters and the requirement to commission technical advice.

Accordingly the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997, that this Appeal will not be determined by 17 September 2018 for the reasons specified above. It is the intention of the Board that the Appeal will be determined by 31 March 2019.

The Board has not yet determined whether to accede to the request for an oral hearing. I shall be in touch with you further once the Board has determined whether or not an oral hearing is required.

This notice is being copied to all parties to the Appeal.

Yours sincerely

Mary O'Hara
Secretary to the Board
