Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to refuse to grant an Aquaculture Licence to Mr Killian Tighe, Mr Marc Pedriel and Mr Michel Mousset, C/o Utterly Oysters Ltd, Rossleague, Cobh Co Cork for the cultivation of Oysters in the intertidal part on the foreshore on Site T5/545A at Ballymacoda Bay, Co. Cork.

Dear Mr Tighe,

I refer to my letter of 19 November 2018 in which the Board indicated it anticipated this Appeal would be determined by 30 June 2019.

The Board has now determined that an appropriate assessment screening is required to examine the impact of developing this application area (Site T5/545A) in respect of the conservation objectives of the Ballymacoda SPA. The Board is in the course of arranging this.

Arising from this determination, the ALAB Board again reviewed the timescale for determination of this appeal at its meeting on 25 June 2019, and has formed the view it will not be in position to determine this Appeal by 30 June 2019. Accordingly, the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997, that it is the intention of the Board that the Appeal will be determined by it as soon as practicable and by no later than 31 December 2019.

This notice is being copied to all parties to the Appeal.

Yours sincerely

Mary O'Hara
