Re Ref AP63/2019

Site Ref: Cathal mc Correll T12/542

To whom it may Concern.

In relation to your recent Correspondence dated 03/02/2020 it is beyond my Comprehension how this appeal has any reference to my recent granting for Site No T12/542.

The Subject of the Appeal is a matter between the Appellant Derek Diver and yourselves the Aquaculture Appeals Board, and should have no influence on my recent Application as I have accepted and Co-operated with regard to licensing policy in the bay.

I would be very disappointed if my application was Jeopardised based on the fact that this applicant does not want to accept the departments Variation which is in accordance with orderly development policy of the bay.

p.to

I trust that my granted application will now proceed as I do not believe I should be delayed any further as this is not a valid appeal regarding my site.

In my opinion I feel I am falling victim to someone who has obviously an issue with the department and not me!

Looking forward to hearing from you very soon.
Kind Regards
Cathal Mc Cortell.
