

To The Aquaculture Licences Appeals Board,

My name is Daniel M^s Gonigle and I have been granted a Licence for Crowsbreaga bay, I am a Local Man who Lives one mile over the road from the site I was granted in the Isle of Doagh. From what I can see Mr Diver who the appeal is from and has appealed to 12 other Men who have been granted Licences, is a very GREEDY man who has had 2 Licences granted but is not happy because he didn't get the size of sites he wanted. I think this is a matter between the minister and Mr Diver and nothing to do with me. Mr Diver already has 4-5 sites in Crowsbreaga bay and is looking for more, and yet and all in his appeal he states the bay is near full capacity. Mr Diver isn't even from the area, he is from Urris outside Clonmany. All I ask is that my Licence be granted so I can start my new business.

your sincerely

Daniel M^s Gonigle
