Re: Appeals against the decision of the Minister for Agriculture, Food and the Marine to grant Aquaculture Licences for the cultivation of Pacific Oysters using bags and trestles on the intertidal and or subtidal foreshore at sites in Trawbreaga Bay, Co. Donegal

Dear Mr Diver,

I refer to my letter of 7 April 2020 in which the Board indicated it anticipated these Appeals would be determined by 31 October 2020.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of these appeals at its meeting on 8 October 2020 and has formed the view it will not be in position to determine these Appeals by 31 October 2020, due to the complexity of the matters which require to be determined as part of these Appeals.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeals by 28 February 2021.

Yours sincerely

Mary O'Hara
Secretary to the Board
